

## **APPENDIX**

## APPENDIX

Table I.	Number of cases reported to National Epidemiological Surveillance of Infectious Diseases, Japan, 2004	
	Category I-V diseases to be notified all the cases .....	140
Table II.	Number of cases reported to National Epidemiological Surveillance of Infectious Diseases, Japan, 2004	
	Category V diseases to be reported by the sentinel clinics and hospitals (Weekly cases) .....	141
Table III.	Number of cases reported to National Epidemiological Surveillance of Infectious Diseases, Japan, 2004	
	Category V diseases to be reported by the sentinel clinics and hospitals (Weekly cases per sentinel).....	142
Table IV.	Number of cases reported to National Epidemiological Surveillance of Infectious Diseases, Japan, 2004	
	Category V diseases to be reported by the sentinel clinics and hospitals (Monthly cases) ....	143
Table V.	Number of cases reported to National Epidemiological Surveillance of Infectious Diseases, Japan, 2004	
	Category V diseases to be reported by the sentinel clinics and hospitals (Monthly cases per sentinel) .....	143

Table I. Number of cases reported to National Epidemiological Surveillance of Infectious Diseases, Japan, 2004  
 Category I-V diseases to be notified all the cases

Refer to list of target diseases in page 19.

Table II. Number of cases reported to National Epidemiological Surveillance of Infectious Diseases, Japan, 2004  
Category V diseases to be reported by the sentinel clinics and hospitals (Weekly cases)

			Pediatric disease		Eye disease		Target disease at sentinel hospital
					AHC	EKC
